New-Way Wonder
for Corns, "Gels-It"

The Big Surprise for Corn Owners.
It's Sure, Simple, Safe, Quick.

Listen to the wee story of "Gels-It,"
the world's greatest corn remedy. It's
a short story—only about two feet—
"Marry had a little 'Gels-It,' and
corns upon her toes; and every time

Stop Misery and Embarrassment Like
This With Simple, Sure "Gels-It."

she put on "Gels-It," the corn was
sure to go. Mary, like thousands of
others, used to be a heroine, suffering
martyrdom, using painful bandages,
irritating salves, sticky tape, toe-
harnesses, blood-bringing razors and
scissors. She says now there's no sense in
it. Use "Gels-It," applied in 3 seconds.
Easy, simple, new way—just painless com-
mon sense! Millions are doing it.
Never fails. You can wear smaller shoes
now. You don't have to limp around
any more, or walk on the side of your
shoes to try to get away from your corn!
You know for sure before you use
"Gels-It" that the corn or callus is going
away. For corns, calluses, warts and
bunions.
"Gels-It" is sold by all druggists,
5c a bottle, or sent direct by E. Law-
rence & Co., Chicago.

THE HOME TOWN NEWS

I'm tired of all these city papers,
With their scandals and divorces,
Their beauty hints and talks to girls,
And everything that's vain,
And how to serve a supper with a do-
zen and one courses.
And what a girl should do who meets
a strange man on a train:
Just for tonight let's read our home
town paper
Let's read about the people that we
used to love so true;
Just for tonight let's read our home
town paper,
And imagine we are back again among
the folks we knew.

Capt. C. J. Davis was in town Wed-
nesday and sent the Herald to D. P.
Peck at Florey, Texas.

E. F. Neal has been in Kentucky
for some time on business for the
Gainesboro Telephone Co.

Cole's Hot Blast Heaters make a
big reduction in your coal bill—see
their advertisement and guarantee.

D. C. Wilhite was at Alexandria
last week during the fair and bought
about 50 young mules to put on pas-
ture.

J. M. Anderson Plumbing Co. has
a supply of tiling, well casing and ce-
ment. Don't forget to call and see
them.

Albert and McGregor Smith have
started on a trip to the Pacific country
and will take in the Panama Exposi-
tion while gone.

A. G. Maxwell left last week for a
trip to San Francisco and other points
in the west and northwest. He will
be gone about a month.

Dr. W. D. Ferrell and family who
had been visiting friends at this place
left Tuesday in their auto for their
home at Nashville, Tenn. They were
accompanied by Mrs. Minnie Maye,
who will attend the State Fair be-
fore returning home.—Celina Bueh.

I'm tired of all this gossip of society's
grand doings,
About people that you never saw or
never cared to see,
And the marriage of strangers, the
engagements and the weds—
These may be interesting, but they
don't appeal to me;
Just for tonight let's read our home
town paper,
Let's read about the visitings, the
quitting party, too,
And what the preacher talked about—
It's all in the home paper—
And imagine we are back again among
the folks we knew.

Mr. and Mrs. W. D. Sloan and sons
Paul and Douglas, came up from
Nashville to attend the funeral of A.
Sloan Monday.

C. C. Fowler of Quinton, Okla., had
the misfortune to break his leg near
the ankle a few days ago. Mr. Pow-
ler has many friends in this section

office at work after a two weeks stay
at Red Boiling Springs, and says that
he is well pleased with his trip and
that the "double and twist" black sul-
phur water will give you a walk for
your money.

The Sisk Gospel Team assisted the
pastor of the Methodist church at
Gentry in holding a revival the latter
part of the week and Sunday. Splen-
did services were held and several
conversions resulted. Quite a number
went from here, Saturday and return-
ed Sunday night.

I wonder if Elijah White has married
Lucy Horton;
I wonder if the Jones girls ever finally
got a beau,
And how things are progressing with
Sam and Mabel's courtin',
And how big Uncle Silas's prize pun-
kin's like to grow;
Just for tonight let's read our home
town paper,
And find out what the folks at home
have done or plan to do;
Just for tonight let's read our home
town paper,
And imagine we are back again among
the folks we knew.

Cole's Original Hot Blast

is a double stove—a heavy durable heating stove slipped inside of
the powerful radiating body which radiates all the heat. This re-
markable construction makes an absolutely air-tight stay-tight heater
which holds fire from Saturday night until Monday morning. This
guaranteed stay-tight construction in connection with our Hot Blast
fuel saving draft makes our guaranteed great fuel economy possible.

**The Many Feet of
Leaking Joints**

made temporarily tight with stove putty
explains why imitation hot blast heaters
and stoves with other fuel saving devices
are not guaranteed to remain air-tight
always, as is Cole's Hot Blast.

Cole's Hot Blast burns any fuel—
soft coal, hard coal, or wood.
It is a powerful radiator of heat.
It gives a sizzling hot base.
It gives a guaranteed fuel economy.
You can't afford to be without this
remarkable heater. Come in and see
it today.

*"Cole's Hot Blast makes your coal pile last."
